

COLORLY XTREME

COLORLY XTREME is a pure semi-permanent deposit only extreme color. Available in 7 vibrant shades. To be used on natural and pre-lightened hair. XTREME is the glossiest product of this kind on the market.

- Bowl and brush application
- Dimensional application
- Pre-lightened or natural coverage
- Colors can be mixed
- Heat can be applied for intensity
- Next application can be a different color
- 10 – 12 shampoos
- Green, Blue, Orange, Red, Purple, Yellow, and Fuchsia.

CAUTION:

Before each application of COLORLY XTREME a preliminary patch test is advised to detect any possible allergic reaction. If product comes in contact with eyes, rinse well immediately. Do not use to dye facial hair, eyelashes, or eyebrows.

APPLICATION:

1. Wear protective gloves, until completion of color application.
 2. Squeeze color into bowl and apply with a brush.
 3. Apply to pre-lightened or natural hair.
 4. Process for 15 – 20 mn. (heat may be applied to intensify color)
 5. Rinse, until water runs clear, shampoo with *ADVANCED Shampoo*, and condition with *REVIVOR*.
 6. When using XTREME in a dimensional effect, avoid dispersing color throughout the hair; rinse XTREME while in foil application.
 7. Rinse and clean all applicator tools well.
